C	Important to street/groups	good	fair	poor	bad
D	Insignificant/detrimental	good	fair	poor	bad

Notable features:

Numbers 873 and 871 have nice original doorways, and 873 has an added cornice to hide its gable roof. Numbers 875 and 877 are 3-story attic type not usual in the area; may be earlier; i.e., 1830's. Number 879 has a store front that is of later date. Numbers 875-877 are very nice facades, and if 875 can be saved, it should be.

Environmental context:

Numbers 875, 877 and 879 are vacant, with 875 in hazardous condition; lots at 883-891 have been cleared. The noise of traffic on this street is wicked; street trees are sorely needed. The houses have excellent proportions and should be rebuilt and reoccupied as residences.
